

PROMENADE D'AUTOMNE

Alsace in a few bites

Radish in fine, crisp petals
and venison
with honey from our hives

Wild trout from Lake Geneva, caught by my
friend Éric, served with sorrel juice

Mallard from my hunts,
fermented red berries,
the juices from a wine-free stew

Rhubarb harlequin from Saint-Riquier
with batak berry,
marbled ice cream with fromage blanc and
tagetes oil
