

L'EXPRESSION

L'Alsace en quelques bouchées

The summer roe deer tranche,
Red fruits and alsatian vegetables in kombucha

Eel from Rhine« in green »
Lightly smoked and candied with citrus

The zucchini flower with caraway,
The soft of the crayfish

The smallest tomato of the world, milk from our
mountains

And « Tsar Impérial Petrossian » caviar

The arctic char of our mountains « cooked in beewax »
lukewarm honeyvinaigrette and fir tree oil

Benoit's vegetables with raifort milk

The summer roe deer spareribs, mushrooms, fir tree
buds and wild bogbilberries
« kassknepfle like our grandmother »

The honey from our hives, and the apricot from Alsace
with thymian

Memory of raw dough
