## L'HISTOIRE

Alsace in a few bites

Goose Foie gras of Alsace « like a snow »  
berawecka cream and  
tomme des montagnes cheese

The creamy egg  
following the season

The arctic char of our mountains  
Crayfish, snails and parsil juice

The roe deer from our hunt,  
Black cherries and Kassknepfle like our  
grandmothers

The Vosgian's blueberry meringue hull,  
Raw cream foam
